# GRADUATE SUSTAINABLE DESIGN EXHIBITION

"new ideas inspiring change"

Final year projects from across Sydney's top Universities featuring responsible design. Concepts and ideas to inspire and challenge convention. Highlighting sustainable architecture, water efficient products and planning for change teamed with ideas in fashion, communication, interiors, shopping, landscapes and more.

This collection confirms higher education as an integral element to enabling change. It is also an opportunity to reflect upon how much Responsible Design could contribute towards tangible solutions globally. We're excited that for the first time, we'll have our full show at GREX.

**WHEN:** 1-3 June GREX 9.45am - 5.30pm daily  
Friday only, FREE entry with Student ID or business card.  
Sat and Sun \$15 cash only

**WHERE:** Australian Technology Park, Eveleigh  
(5 min walk from Redfern station)

**FIND OUT MORE:** [www.changex.org](http://www.changex.org)
