GRADUATE PROJECT WORKSHOP

"Grow your concept and design for change"

All final year design students!

Bring your seeds of ideas for your graduate project along for discussion. Take advantage of an opportunity to speak with design educators and professionals with expertise in architecture, design and issues related to sustainability, responsible design and our future. The workshop is intended to help graduation year students tease out ideas, develop directions, and start the year off on a strong footing.

when:
Wednesday, 14th March, 1pm - 3pm
post-workshop discussion till 4pm

**SPECIAL
FREE
EVENT**

where:
Architecture Lecture Theatre 3 (ALT3)
Wilkinson Building, Building G04, Sydney Uni
